A NEW SERIES BY MORINAGA MILKI!!

Ever since I was a child, I've admired those who defend justice

I loved shows about Magical Girls and Sentai Rangers

But the ones I loved most were police dramas

They who protect the weak from evil,

who fight in the name of justice,

lit a fire inside my heart.

And so.

This investigation is becoming too bureaucratic!

You're being immature...

WHAT ARE YOU WRITING AS YOUR DREAM FOR THE FUTURE?

I WANT TO BE A NURSERY SCHOOL TEACHER.

I WANT TO BE A SOCCER PLAYER!

I WANT TO RUN A FLOWER SHOP!

KYA!

KYA!

KYA!

That's impossible!

Chatter
Ahaha, don't worry about that.
This school isn't strict about the rules at all.
Chatter
Um...
I was just checking out the school rules...
Surprised
Is that a student notebook? Is there something interesting written in it?
Since it looks like you were smiling.
Good morning
Right?
That's right. Both the teachers and the upperclassmen are very kind.
There isn't really any bullying, and it's a peaceful school.
Putting away
Oh no!
Eh?!
I know you're probably still nervous since you just transferred here, but...
I'm sure you'll fit in just fine.
Wha
It's... peaceful?
There aren't any fights or rule-breakers or something?
Huh? Fights?
There's nothing like that.
Um
Oh, but. There was something happened recently...
Aah... you mean that thing in the newspaper...

Eh? What was it?!

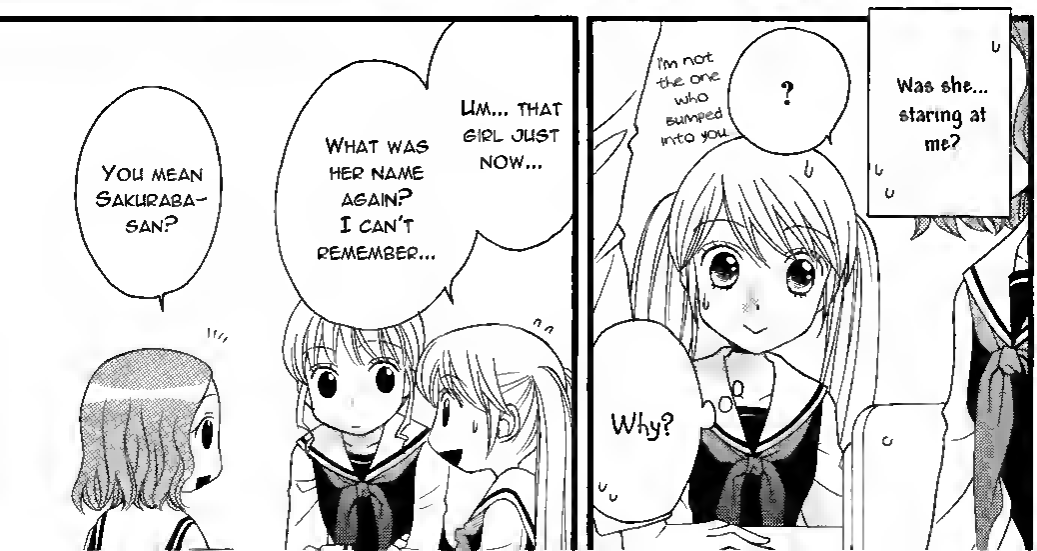
STUDENT COUNCIL'S FUNDRAISING ACTIVITIES

Eh?
You haven't heard the rumour?
Huh? What are school police?
Ah...
School police...do you mean THOSE school police?
Maybe...
Oh...
Oh no!
No...
Um...
Oh geez!
Th... That's crazy!
Well, it's just something I read on the internet, but...
A ha ha
Wow, this is my first time hearing that!
Interesting.
Are you sure it's not something from a manga?
It must be just an urban legend.
AH!!
Because of problems like the rise in suicides and school violence due to bullying,
and corruption and abuse on the part of teachers,
The police had secretly sent undercover officers into many schools' system...
They're known as the "SCHOOL POLICE"
According to the rumour, they pretend to work as the teachers and other school staff.

Everything from the man under your bed to the school police!
Huh.. the rainy season...? Is that coming up...?
Isn't it a great way to cheer people up from the bad weather during rainy season?!
Right!?
I'll make it a special article in the next issue!
Right!?
A special edition on urban legends!!
Huh?
What is?
Oh yeah! That's a great idea!!
I'm...
...okay...
Kya!
It's decided!
I'm going to get it approved by our club president right away!
Waa!! I'm so sorry!! Are you okay?!
Rustle

I'm really sorry...
Jeez, Tokiwa-chan, you sure are out of it today.
Ehehe, I get that a lot.
Hm?

Eh?



Was she... staring at me?
?
I'm not the one who bumped into you.
Why?
Um... that girl just now...
What was her name again? I can't remember...
You mean Sakuraba-san?

Sakuraba... Sakuraba...
Where have I heard that name before?
Hmm
Her grades are so good that she's even known outside the school
Wow, really?
Am I imagining things?
Sakuraba-san doesn't really stand out, does she?
I don't know whether you'd call her quiet or just gloomy.
But she's a good student.
It seems like she's always studying alone in the library.
Anyways, back to my original question.
Sasami-san, have you decided on a club to join yet?
Huh?
A club?
Newspaper Club
You know what's coming...!
We won't stop till all of Hanagaki's seven mysteries are solved!!
Today will be another day of gathering data!!
Gathering data again...?
We spent days going through the entire school. There isn't any classroom or staff room left to check.
Haven't we done enough?

Err, no... I have no intention of becoming a journalist... I'm just a trial member here.
You'll never become a full-fledged journalist with an attitude like that, Sasami-san!
What are you saying!? There're still the local shops we have to go to!
You really don't pay attention, do you?!
Observer
By the way, why did you change the topic from urban legends to the school's seven mysteries?
Let me see...
So what do we know about the seven mysteries?
Whew...
Because, the presi-dent...
We can't run a story that has nothing to do with the school
If we did, we wouldn't be a school newsfafer anymore, would we?
Also, don't call me president, call me editor-in-chief.
President
It's been a week since I transferred to Hanagaki Girls',
and yet absolutely nothing has happened.
Just like the report file said,
it's a completely peaceful and trouble-free school.
But then why...
...was I sent here in the first place?

I still haven't been to the locations of the school's seven mysteries...
So to start with, we should visit them and get photos.
Right?
We might be able to use them later.

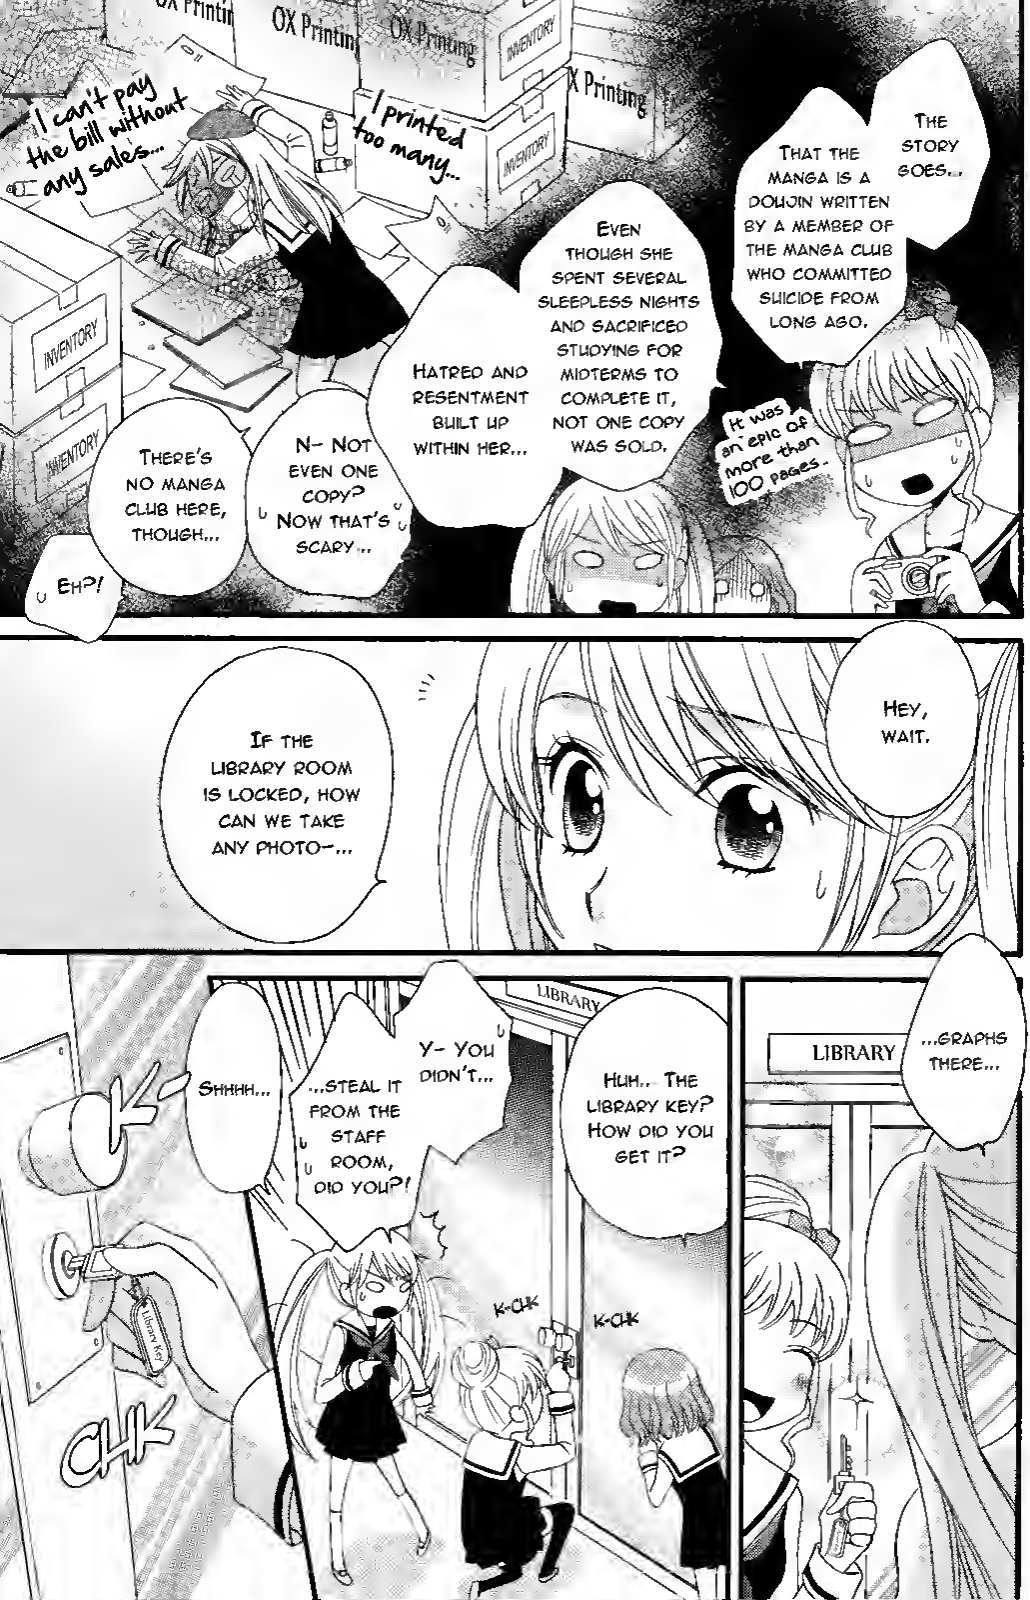
Um... Next is...
"The doujinshi in the library".
What's that?
Aah... that's an interesting one.
After school, when the library door has been locked,
A manga appears on the shelf at the very back of the library.
Anyone who reads it will die, apparently.
Eeh? Sounds like a scary manga...



I can't pay the bill without any sales...
I printed too many...

The story goes...
That the manga is a doujin written by a member of the manga club who committed suicide from long ago.
It was an epic of more than 100 pages.
Even though she spent several sleepless nights and sacrificed studying for midterms to complete it, not one copy was sold.
Hatred and resentment built up within her...
N- Not even one copy? Now that's scary...
There's no manga club here, though...
Eh?!
Hey, wait.
If the library room is locked, how can we take any photo-...
